

## Read Me - Proofs & Demos

Thank You for your interest and purchase.  
This is the second box in the set of three.

To proceed with this box, you will have completed the process with the first box and have the following ready.

You've tried the demos out for the shirts you want and have selected your set.

You've reviewed the available shirts at the RL online stores (via the HUD) and have selected what shirts you want.

You have a set of photographs from the photo shoot that you want on your shirts.

You have a set of slogans if any that you want on the shirts.

You have one or more texture for the backgrounds on your shirts.

You have a list of what textures you want grouped on separate HUDs, if you have that many.

You have a notecard indicating what slogan with what photograph, backgrounds and shirts for SL and RL.

There is a "Proof & Demos Return Box" for your return items.

**CHECK ALL YOUR ITEMS TO BE FULL PERMISSIONS.**

Rez the box and put your notecards any images and comment you have in this box.

Take the box into your inventory and then share it with me. Right click and select share. Search for Thunderchild Allen or AJ Leibengeist. I will reply that I got it when I get online.

I'll IM you when the proofs and demos are ready.

Hit me up if you have any questions.
